### Host a **PICTURE PARTY** and save!!!

A Picture Party is similar to a Tupperware party, but your guests purchase photos instead of plastic containers. You invite your friends and family to attend and have a fun social time while I shoot photos in a separate area of your house or apartment (bedroom, basement, outdoors, etc.). Each family/person takes a turn having their portraits taken. I bring all the backgrounds and props for the photo sessions. You furnish simple refreshments. As the host, you will receive 1 free 8x10 and 2 free 4x6 portraits, plus a \$5.00 credit toward your portrait purchase for each family/couple/individual that attends and has photos taken.

Any travel costs will be waived for any Picture Party with 4 or more families/couples/individuals purchasing photo packages.

All photos from the party are shipped via USPS. Shipping costs are extra. Photos can be mailed individually, or you can make arrangements for your guests to pick up their photos from you.

For additional details, please contact me at the studio.
